

**Department of Computer Science - Capstone Experience Presentation  
Faculty Feedback Form**

Presenter's Full Name: \_\_\_\_\_

Presentation of (circle one):    Internship    Mentored Research

Presentation Title: \_\_\_\_\_

Presentation Date: \_\_\_\_\_

|                     |   | Yes | No | Other | Comments |
|---------------------|---|-----|----|-------|----------|
| <b>Content</b>      | Includes the background of the project / work?                |     |    |       |          |
|                     | Identifies problem that needs to be solved?                   |     |    |       |          |
|                     | Presents a reasonable response to the problem?                |     |    |       |          |
|                     | Applies knowledge of Computer Science principles to solution? |     |    |       |          |
|                     | Contains evidence of life-long learning                       |     |    |       |          |
| <b>Presentation</b> | Is organized (i.e., clear structure)?                         |     |    |       |          |
|                     | Provides overview at suitable level of comprehension?         |     |    |       |          |
|                     | Communicates well (responses to questions)?                   |     |    |       |          |

|  |   |  |  |  |  |
|--|---|--|--|--|--|
|  | Professional (i.e., demeanor / appearance)? |  |  |  |  |
|--|---|--|--|--|--|
